

## **COSMICALLY-POETIC AND POETICAL VISIONS WITH THE EMPHASYS ON ANTHOLOGY “THE COSMIC FLOWER”**

It is considered first the tradition to sing to cosmos, with the emphasis of the folk one, Njegoš etc. Then the development from the section “Few poetry” in the journal *Vasiona* (Universe) to the anthology *The cosmic flower* is presented. In the final part, this anthology is analyzed with a positive estimate of its value and significance.
