

THE MERITORIOUS FAMILY DANIĆ
– THE ORIGIN, GENEALOGY, CHARACTER OF DR. JOVAN DANIĆ –

Prof. Dr. Radovan Rada Danić, the president (1954-1966) of the Astronomical Society "Rudjer Bošković" comes from a respectable middle class family. This work is about the origin and genealogy of this family. Special attention is given to the character of Radovan's father, Dr. Jovan Danić, a doctor, neuropsychiatrist, public worker, one of the most respectable people of his epoch, whom Radovan resembled to a great extent by character, views, sense of humour and even fate.
