

## **MIHAJLO PETROVIĆ – MIKA ALAS – TESTIMONIALS ABOUT THE LEGENDARY MODESTY**

About Mihajlo Petrović, our legendary mathematician, fisherman, world traveller ... numerous text are written and many facts are generally known, but he was also unrivaled in another feature, hardly comprehensible for a man of his position - modesty! In this paper, we give some new, lesser known testimonials, found in the "Politika" from the late thirties of last century, together with those of his fellow contemporaries.
