

# MANUSCRIPTS OF THE FIRST UNIVERSITY LECTURES OF MILUTIN MILANKOVIĆ

In the rich scientific and professional legacy of Milutin Milankovića there are five manuscripts of his lectures at the University of Belgrade. Manuscripts belong to the library of the Mathematical Institute of Serbian Academy of Sciences and Arts and are part of a wider collection of notes from lectures, which were held in late nineteenth and early twentieth century, on the University of Belgrade. In this paper we present the manuscripts of Milanković lectures.
