

COSMOPOETIC FRAGMENTS FROM LEVAČ AND TEMNIĆ

The elements of year, month, week and day in the creation of people within a narrow geographic area Levač and Temnić are presented. Millennium range between archaeological finds – handful like bracelets of "Juhor" type and popular creation, up to contemporary poets, allowed the presentation of cosmopoetics of a locality with a rich and little known tradition of orientation in time.

Keywords: Cosmopoetics, Levač, Temnić
